

Update on ATV/UTV traffic

The Town of Cassel roads are **NOT** open to ATV/UTV traffic as of right now. At the October 2020 board meeting the town board did approve opening all Town of Cassel roads (not highways) to ATV/UTV traffic. A town ordinance needs to be published and proper signage needs to be placed before roads will be open.

Anticipated date will be Spring of 2021.

The Town of Cassel has adopted the provisions of Marathon County Ordinance 7.125 to be applied in the Town of Cassel. The ordinance can be found at the link below and will not be valid until signs are posted in the Spring of 2021
