Public Input

Concerns that recycling and garbage are mixed in the same truck. Harter's explained that the route is done with a split body truck – there are two compartments. When the carts are emptied into the truck, they do go into the same shoot, however, there is a blade that pushes it to one side or the other. The driver controls this from inside the truck.

Motion to adjourn meeting, Supervisor Soczka / 2nd Supervisor Ahrens, carried.

Respectfully,
Mary Kay Hagenbucher, Clerk
